CONTRACT FOR PUBLIC IMPROVEMENTS

This Contract for Public Improvements (“Agreement”) is made this _____ day of _____, 20__, between **City of Scottsbluff, Nebraska**, a Municipal Corporation, hereafter called “City”, and **First Link 4, LLC**, a Delaware limited liability company, hereafter called “Owner”.

RECITALS

1. Owner is under contract to acquire real estate described as follows:

Lots 2A, 2B, and 2C, Eisele Subdivision, a Replat of Lot 2, Eisele Subdivision to the City of Scottsbluff, Scotts Bluff County, Nebraska.

This real estate will hereafter be called the “Property”.

2. Certain offsite improvements in the area which are required by the Scottsbluff Municipal Code to be constructed by the Owner in connection with Owner’s development of the Property have not been constructed. The parties desire to memorialize their agreement with respect to the construction of these improvements. For that purpose, Owner desires to bind itself and its successors in interest to construct the improvements in accordance with the Scottsbluff Municipal Code as hereinafter provided.

AGREEMENTS OF THE PARTIES

In consideration of the mutual promises of the parties, it is agreed as follows:

3. By May 31, 2024 (the “Completion Date”), Owner shall cause to be constructed, all in accordance with the plans and specifications to be approved by the City, which approval will not be unreasonably withheld, the following:

387 feet of twelve inch (12”) sanitary main and 387 feet of twelve inch (12”) storm main to connect the Property to the public system as shown on Site Improvements dated September 1, 2023, prepared by Pelds Design Services (the “Improvements”).

The parties recite their understanding that the Improvements described above may change when the final plans and specifications are approved. The cost of these Improvements shall be paid by the Owner.

4. All Improvements described in this Agreement shall be constructed in accordance with plans and specifications approved by the City and in accordance with all ordinances and codes adopted by the City. Owner shall notify City upon substantial completion of the Improvements. Within five (5) days following Owner’s notice of substantial completion, Owner and City shall schedule an inspection of the Improvements, and Owner and City shall determine a list of any incomplete items, if any (the “Punchlist”). Any Punchlist items shall be completed by Owner within

thirty (30) days after finalization of the Punchlist. The City Council shall accept the Improvements upon completion of the Punchlist items, or if there are no Punchlist Items, upon substantial completion of the Improvements. All the Improvements shall become the property of the City immediately upon acceptance of the Improvements by the City Council. Owner warrants such Improvements against latent defects for a period of one year from the date of the acceptance of the Improvements.

5. Should Owner fail to construct the Improvements on or before the Completion Date, the City may do so. In such event, Owner shall reimburse the City for all out of pocket costs expended by the City in constructing such Improvements within thirty (30) days of receipt of an invoice for such costs. All Improvements described in this Agreement shall be constructed in accordance with plans and specifications approved by the City and in accordance with all ordinances and codes adopted by the City. If Owner fails to reimburse the City as required herein, the City may at its option, assess all or any part of the unreimbursed cost of the Improvements against the properties benefitted by the Improvements. If any installment of such special assessments is unpaid for a period of six (6) months after the same is delinquent, the City may mail written notice to Owner of that fact and demand that Owner pay such installment. If Owner fails to pay such installment within thirty (30) days after such notice is mailed, the City may proceed by appropriate action to enforce Owner's liability as described in this paragraph. In any such action the City shall be limited to the installments which are then-currently due, less sums previously paid. Any forbearance by the City to exercise any right granted to it in this contract shall not be considered a waiver of the City's rights unless set forth in writing.

6. Any notices permitted or required herein shall be deemed properly sent if sent by certified U.S. mail, postage prepaid, or by any nationally known overnight delivery service for next day delivery, to the respective party at the following address:

If to Owner: First Link 4, LLC
1300 Freeport Road
Pittsburgh, PA 15238
Attn: Louis Pappan

If to City: City of Scottsbluff, Nebraska
2525 Circle Drive
Scottsbluff, NE 69361

7. To secure Owner's liability, Owner agrees to provide a payment or performance bond consistent with the policies established by the City, which shall be maintained until termination of this Agreement. The estimated cost of the Improvements contemplated by Owner are agreed to be \$110,200.00. The parties recite their understanding that this is an estimate only and that the actual cost of the Improvements may differ from the estimate. The security furnished by Owner will be in the amount of the actual cost of the Improvements. It is contemplated that Owner will enter into a

contract for the construction of the Improvements. The actual cost of the Improvements will be determined by the provisions of such contract. The bond shall provide that upon default of the Owner under this Agreement and demand by the City, the City shall be paid all sums which the City is entitled to collect from Owner under this Agreement. If the sums collected by the City under the bond are not sufficient to satisfy Owner's liability to the City, Owner will remain liable for the balance. The City may, at its option, assess all or any part of the amounts owed by Owner for the Improvements described in paragraph 3 hereof and not covered by the bond and not paid for by Owner against the properties benefited by the Improvements. This paragraph will not be deemed a waiver of Owner's right to contest the extent to which the Owner's Property is benefitted by the Improvements, or to contest the amount of any assessments levied against the Owner's Property.

8. Owner agrees to participate in and not object to the creation of any special improvement districts that may be subsequently created to maintain the Improvements.

9. This Agreement shall run with the land and shall bind, in addition to the parties, the successors and assigns of the respective parties.

10. In no event shall this Agreement be recorded or filed in its entirety in any public land or other public records of any jurisdiction, by any party. Notwithstanding the foregoing, the parties agree upon the request of either party to execute a commercially reasonable form of Memorandum of Contract suitable for filing in the Office of the Register of Deeds of Scotts Bluff County, Nebraska, to give notice of the fact that this Agreement has been executed. The party requesting execution of the Memorandum of Contract shall be responsible for the costs of filing same.

11. The Owner shall provide written notice to the City within 10 days after the closing or termination of the Owner's purchase contract. Upon the giving of notice of closing of the purchase contract, a Memorandum of Contract will be recorded as provided in paragraph 10 herein. Upon the giving of notice of termination of the purchase contract, this Agreement shall terminate, and Owner shall have no further obligation under this Agreement, including but not limited to the construction of the Improvements.

12. This Agreement shall automatically terminate upon the earlier of: (i) completion of the Punchlist Items, or if there are no Punchlist Items, upon substantial completion of the Improvements; or (ii) the Completion Date. At any time thereafter, the parties agree upon the request of either party to execute a commercially reasonable form of Termination of Memorandum of Contract suitable for filing in the Office of the Register of Deeds of Scotts Bluff County, Nebraska, if a Memorandum of Contract was recorded in accordance with the terms of this Agreement, and such obligation shall survive termination of this Agreement. The party requesting execution of the Termination of Memorandum of Contract shall be responsible for the costs of filing same.

IN WITNESS WHEREOF, the parties have set their hands the day and year first herein written.
