Section 202. Description of Bonds. The Bonds shall consist of fully registered bonds, numbered from R-1 upward in order of issuance, in denominations of \$5,000 or any integral multiple thereof, and bearing a series designation of the calendar year in which the Bonds are issued. The Bonds shall be subject to registration, transfer and exchange as provided in **Section 205** hereof. All of the Bonds shall be dated the date of delivery thereof, shall become due and payable in the amounts on the Stated Maturities, subject to redemption and payment prior to their Stated Maturities as provided in **Article III** hereof, and shall bear interest at the rates determined by the Authorized Officer such that the true interest cost on the Bonds shall not exceed 2.50% in accordance with the provisions of **Section 212** hereof. The Bonds shall bear interest computed on the basis of a 360 day year of twelve 30 day months from the date thereof or from the most recent Interest Payment Date to which interest has been paid or duly provided for.

Each of the Bonds, as originally issued or issued upon transfer, exchange or substitution, shall be in substantially the form set forth in **Exhibit A** attached hereto.

Section 203. Designation of Paying Agent. The City hereby designates the Paying Agent as its paying agent for the payment of the principal or Redemption Price of and interest on the Bonds and bond registrar with respect to the registration, transfer and exchange of the Bonds. The Paying Agent shall serve in such capacities under the terms of an agreement entitled “Bond Registrar and Paying Agent Agreement” between the City and the Paying Agent (the **“Registrar Agreement”**), in substantially the form presented herewith, which is hereby ratified and approved. One or more Authorized Officers are hereby authorized to execute the Registrar Agreement in substantially the form presented but with such changes as such Authorized Officer shall deem appropriate or necessary.

The City will at all times maintain a Paying Agent meeting the qualifications herein described for the performance of the duties hereunder. The City reserves the right to appoint a successor Paying Agent by (a) filing with the Paying Agent then performing such function a certified copy of the proceedings giving notice of the termination of such Paying Agent and appointing a successor, and (b) causing notice of the appointment of the successor Paying Agent to be given by first-class mail to each Registered Owner. No resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of Paying Agent.

Every Paying Agent appointed hereunder shall at all times be a commercial banking association or corporation or trust company organized and doing business under the laws of the United States or of a state of the United States, authorized under such laws to exercise trust powers and subject to supervision or examination by federal or state regulatory authority.

Section 204. Method and Place of Payment of Bonds. The principal or Redemption Price of and interest on the Bonds shall be payable in any coin or currency of the United States that on the respective dates of payment thereof is legal tender for the payment of public and private debts.

The principal or Redemption Price of each Bond shall be paid at Maturity by check or draft to the Person in whose name such Bond is registered on the Bond Register at the Maturity thereof, upon presentation and surrender of such Bond at the Designated Office of the Paying Agent.

The interest payable on each Bond on any Interest Payment Date shall be paid to the Registered Owner of such Bond as shown on the Bond Register at the close of business on the Record Date for such interest by

check or draft mailed by the Paying Agent to the address of such Registered Owner shown on the Bond Register.

Notwithstanding the foregoing provisions of this **Section 204**, any Defaulted Interest with respect to any Bond shall cease to be payable to the Registered Owner of such Bond on the relevant Record Date and shall be payable to the Registered Owner in whose name such Bond is registered at the close of business on the Special Record Date for the payment of such Defaulted Interest, which Special Record Date shall be fixed as specified in this paragraph. The City shall notify the Paying Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment (which date shall be at least 30 days after receipt of such notice by the Paying Agent) and shall deposit with the Paying Agent at the time of such notice an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Paying Agent for such deposit prior to the date of the proposed payment. Following receipt of such funds the Paying Agent shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than 15 nor less than 10 days prior to the date of the proposed payment. The Paying Agent shall promptly notify the City of such Special Record Date and, in the name and at the expense of the City, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, by first-class mail, postage prepaid, to each Registered Owner of a Bond entitled to such notice at the address of such Registered Owner as it appears on the Bond Register not less than 10 days prior to such Special Record Date.

The Paying Agent shall keep a record of the payment of the principal or Redemption Price of and interest on all Bonds and at least annually shall forward a copy or summary of such records to the City.

Section 205. Registration, Transfer and Exchange of Bonds. The City covenants that, as long as any of the Bonds remain Outstanding, it will cause the Bond Register to be kept at the Designated Office. Each Bond when issued shall be registered in the name of the Registered Owner thereof on the Bond Register.

Bonds may be transferred and exchanged only on the Bond Register as provided in this **Section 205**. Upon surrender of any Bond at the Designated Office, the Paying Agent shall transfer or exchange such Bond for a new Bond or Bonds in any authorized denomination of the same Stated Maturity and in the same aggregate stated principal amount as the Bond that was presented for transfer or exchange. Bonds presented for transfer or exchange shall be accompanied by a written instrument or instruments of transfer or authorization for exchange, in a form and with guarantee of signature satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or by the Registered Owner's duly authorized agent.

In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Ordinance. The City shall pay the fees and expenses of the Paying Agent for the registration, transfer and exchange of Bonds provided for by this Ordinance and the cost of printing a reasonable supply of registered bond blanks. Any additional costs or fees that might be incurred in the secondary market, other than fees of the Paying Agent, are the responsibility of the Registered Owners of the Bonds. In the event any Registered Owner fails to provide a correct taxpayer identification number to the Paying Agent, the Paying Agent may make a charge against such Registered Owner sufficient to pay any governmental charge required to be paid as a result of such failure. In compliance with Section 3406 of the Code, such amount may be deducted by the Paying Agent from amounts otherwise payable to such Registered Owner hereunder or under the Bonds.

The City and the Paying Agent shall not be required (a) to register the transfer or exchange of any Bond that has been called for redemption after notice of such redemption has been mailed by the Paying Agent pursuant to **Section 303** hereof and during the period of 15 days next preceding the date of mailing of such notice of redemption, or (b) to register the transfer or exchange of any Bond during a period beginning at the opening of business on the day after receiving written notice from the City of its intent to pay Defaulted Interest and ending at the close of business on the date fixed for the payment of Defaulted Interest pursuant to **Section 204** hereof.

The City and the Paying Agent may deem and treat the Person in whose name any Bond is registered on the Bond Register as the absolute owner of such Bond, whether such Bond is overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price of and interest on said Bond and for all other purposes. All payments so made to any such Registered Owner or upon the Registered Owner's order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the City nor the Paying Agent shall be affected by any notice to the contrary.

At reasonable times and under reasonable regulations established by the Paying Agent, the Bond Register may be inspected and copied by the Registered Owners of 10% or more in aggregate stated principal

amount of the Bonds then Outstanding or any designated representative of such Registered Owners whose authority is evidenced to the satisfaction of the Paying Agent.

Section 206. Execution, Registration, Authentication and Delivery of Bonds. Each of the Bonds, including any Bonds issued in exchange or as substitutions for the Bonds initially delivered, shall be signed by the manual or facsimile signature of the Mayor and attested by the manual or facsimile signature of the Clerk. In case any officer whose signature appears on any Bond ceases to be such officer before the delivery of such Bond, such signature shall nevertheless be valid and sufficient for all purposes, as if such person had remained in office until delivery. Any Bond may be signed by such persons who at the actual time of the execution of such Bond are the proper officers to sign such Bond although at the date of such Bond such persons may not have been such officers.

The Mayor and Clerk are hereby authorized and directed to prepare and execute the Bonds in the manner herein specified, and, when duly executed and registered, to deliver the Bonds to the Paying Agent for authentication.

The Bonds shall have endorsed thereon a certificate of authentication substantially in the form set forth in **Exhibit A** attached hereto, which shall be manually executed by an authorized officer or employee of the Paying Agent, but it shall not be necessary that the same officer or employee sign the certificate of authentication on all of the Bonds that may be issued hereunder at any one time. No Bond shall be entitled to any security or benefit under this Ordinance or be valid or obligatory for any purpose unless and until such certificate of authentication has been duly executed by the Paying Agent. Such executed certificate of authentication upon any Bond shall be conclusive evidence that such Bond has been duly authenticated and delivered under this Ordinance. Upon authentication, the Paying Agent shall deliver the Bonds to the Purchaser upon payment of the purchase price of the Bonds plus accrued interest thereon to the date of their delivery.

Section 207. Mutilated, Destroyed, Lost and Stolen Bonds. If (a) any mutilated Bond is surrendered to the Paying Agent or the Paying Agent receives evidence to its satisfaction of the destruction, loss or theft of any Bond, and (b) there is delivered to the Paying Agent such security or indemnity as may be required by the Paying Agent, then, in the absence of notice to the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and, upon the City's request, the Paying Agent shall authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of the same Stated Maturity and of like tenor and principal amount.

If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City, in its discretion, may pay such Bond instead of issuing a new Bond.

Upon the issuance of any new Bond under this **Section 207**, the City may require the payment by the Registered Owner of an amount sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Paying Agent) connected therewith.

Every new Bond issued pursuant to this **Section 207** shall constitute a replacement of the prior obligation of the City, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds.

Section 208. Cancellation and Destruction of Bonds Upon Payment. All Bonds that have been paid or redeemed or that otherwise have been surrendered to the Paying Agent, either at or before Maturity, shall be cancelled by the Paying Agent immediately upon the payment, redemption and surrender thereof to the Paying Agent and subsequently destroyed in accordance with the customary practices of the Paying Agent. The Paying Agent shall execute a certificate in duplicate describing the Bonds so cancelled and destroyed and shall file an executed counterpart of such certificate with the City.

Section 209. Book-Entry Bonds; Securities Depository.

(a) The Bonds shall initially be registered to Cede & Co., as nominee for the Securities Depository, and no Beneficial Owner will receive any certificate representing its respective interest(s) in the Bonds, except in the event the Paying Agent issues Replacement Bonds as provided in **Section 209(b)** hereof. It is anticipated that during the term of the Bonds, the Securities Depository will make book-entry transfers among its Participants and receive and transmit payment of the principal or Redemption Price of and interest on the Bonds to the Participants until and unless the Paying Agent authenticates and delivers Replacement Bonds to the Beneficial Owners as described in **Section 209(b)** hereof.

(b) (1) If the Agency determines (A) that the Securities Depository is unable to properly discharge its responsibilities, or (B) that the Securities Depository is no longer qualified to act as a securities depository and registered clearing agency under the Securities and Exchange Act of 1934, as amended, or (C) that the continuation of a book-entry system to the exclusion of any Bonds being issued to any

Registered Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, or (2) if the Paying Agent receives written notice from Participants having interests in not less than 50% in aggregate stated principal amount of the Bonds Outstanding, as shown on the records of the Securities Depository (and certified to such effect by the Securities Depository), that the continuation of a book-entry system to the exclusion of any Bonds being issued to any Registered Owner other than Cede & Co. is no longer in the best interests of the Beneficial Owners of the Bonds, then the Paying Agent shall notify the Registered Owners of such determination or such notice and of the availability of certificates to Registered Owners requesting the same, and the Paying Agent shall register in the name of and authenticate and deliver Replacement Bonds to the Beneficial Owners or their nominees in principal amounts representing the interest of each, making such adjustments as it may find necessary or appropriate as to accrued interest and previous calls for redemption; provided, that in the case of a determination under **Section 209(b)(1)(A)** or **(1)(B)** hereof, the Agency, with the consent of the Paying Agent, may select a successor securities depository in accordance with **Section 209(c)** hereof to effect book-entry transfers. In such event, all references to the Securities Depository herein shall relate to the period of time when the Securities Depository has possession of at least one Bond. Upon the issuance of Replacement Bonds, all references herein to obligations imposed upon or to be performed by the Securities Depository shall be deemed to be imposed upon and performed by the Paying Agent, to the extent applicable with respect to such Replacement Bonds. If the Securities Depository resigns and the Agency, the Paying Agent or Registered Owners are unable to locate a qualified successor of the Securities Depository in accordance with **Section 209(c)** hereof, then the Paying Agent shall authenticate and cause delivery of Replacement Bonds to Registered Owners as provided herein. The Paying Agent may rely on information from the Securities Depository and its Participants as to the names of the Beneficial Owners of the Bonds. The cost of printing Replacement Bonds shall be paid for by the Agency.

(c) In the event the Securities Depository resigns, is unable to properly discharge its responsibilities, or is no longer qualified to act as a securities depository and registered clearing agency under the Securities Exchange Act of 1934, as amended, the Agency may appoint a successor Securities Depository provided the Paying Agent receives written evidence satisfactory to the Paying Agent with respect to the ability of the successor Securities Depository to discharge its responsibilities. Any such successor Securities Depository shall be a securities depository which is a registered clearing agency under the Securities Exchange Act of 1934, as amended, or other applicable statute or regulation that operates a securities depository upon reasonable and customary terms. The Paying Agent upon its receipt of a Bond or Bonds for cancellation shall cause the delivery of Bonds to the successor Securities Depository in appropriate denominations and form as provided herein.

Section 210. Preliminary and Final Official Statement. The Authorized Officers are hereby authorized to approve and deem final a Preliminary Official Statement and a final Official Statement on behalf of the City all in accordance with the requirements of Rule 15c2-12 of the Securities and Exchange Commission. The Authorized Officers are hereby authorized to execute and deliver a certificate pertaining to such Official Statement as prescribed therein, dated as of the date of payment for and delivery of the Bonds.

The City agrees to provide to the Purchaser within seven Business Days of the date of the sale of Bonds sufficient copies of the final Official Statement to enable the Purchaser to comply with the requirements of Rule 15c2-12(b)(4) of the Securities and Exchange Commission and with the requirements of Rule G-32 of the Municipal Securities Rulemaking Board.

Section 211. Sale of Bonds. The Authorized Officer is hereby authorized to enter into the Bond Purchase Agreement between the City and the Purchaser in substantially the form presented herewith, under which the City agrees to sell the Bonds to the Purchaser at a purchase price of not less than 97.0% of the principal amount thereof, plus accrued interest to the date of delivery, upon the terms and conditions set forth therein and with such changes therein as shall be approved by the Authorized Officer, which officer is hereby authorized to execute the Bond Purchase Agreement for and on behalf of the City, such officer's signature thereon being conclusive evidence of his or her approval thereof.

(a) The Paying Agent shall call Bonds for redemption and payment and shall give notice of such redemption as herein provided upon receipt by the Paying Agent at least 45 days prior to the Redemption Date of written instructions of the City specifying the principal amount, Stated Maturities, Redemption Date and Redemption Prices of the Bonds to be called for redemption. The Paying Agent may in its discretion waive such notice period so long as the notice requirements set forth in **Section 303** are met. The foregoing provisions of this paragraph shall not apply to the mandatory redemption of Bonds hereunder, and Bonds shall be called by the Paying Agent for redemption pursuant to such mandatory redemption requirements without the necessity of any action by the City and whether or not the Paying Agent shall hold in the Debt Service Fund moneys available and sufficient to effect the required redemption.

(b) Bonds shall be redeemed only in the principal amount of \$5,000 or any integral multiple thereof. When less than all of the Outstanding Bonds are to be redeemed, such Bonds shall be redeemed in such principal amounts and from such maturity or maturities as the City, in its sole and absolute discretion

shall determine, and Bonds of less than a full Stated Maturity shall be selected by the Paying Agent in \$5,000 units of principal amount in such equitable manner as the Paying Agent may determine.

(c) In the case of a partial redemption of Bonds by lot when Bonds of denominations greater than \$5,000 are then Outstanding, then for all purposes in connection with such redemption each \$5,000 of face value shall be treated as though it were a separate Bond of the denomination of \$5,000. If it is determined that one or more, but not all, of the \$5,000 units of face value represented by any Bond are selected for redemption, then upon notice of intention to redeem such \$5,000 unit or units, the Registered Owner of such Bond or the Registered Owner's duly authorized agent shall present and surrender such Bond to the Paying Agent (1) for payment of the Redemption Price and interest to the Redemption Date of such \$5,000 unit or units of face value called for redemption, and (2) for exchange, without charge to the Registered Owner thereof, for a new Bond or Bonds of the aggregate stated principal amount of the unredeemed portion of the principal amount of such Bond. If the Registered Owner of any such Bond fails to present such Bond to the Paying Agent for payment and exchange as provided, such Bond shall, nevertheless, become due and payable on the Redemption Date to the extent of the \$5,000 unit or units of face value called for redemption (and to that extent only).

Section 303. Notice and Effect of Call for Redemption. Unless waived by any Registered Owner of Bonds to be redeemed, official notice of any redemption shall be given by the Paying Agent on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 30 days prior to the Redemption Date to the Purchaser of the Bonds and each Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register.

All official notices of redemption shall be dated and shall contain the following information:

- (a) the Redemption Date;
- (b) the Redemption Price;
- (c) if less than all Outstanding Bonds are to be redeemed, the identification (and, in the case of partial redemption of any Bonds, the respective principal amounts) of the Bonds to be redeemed;
- (d) a statement that on the Redemption Date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption and that interest thereon shall cease to accrue from and after the Redemption Date; and
- (e) the place where such Bonds are to be surrendered for payment of the Redemption Price, which shall be the Designated Office.

The failure of any Registered Owner to receive notice given as heretofore provided or an immaterial defect therein shall not invalidate any redemption.

Prior to any Redemption Date, the City shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of all the Bonds or portions of Bonds that are to be redeemed on that date.

Official notice of redemption having been given as provided, the Bonds or portions of Bonds to be redeemed shall become due and payable on the Redemption Date, at the Redemption Price therein specified, and from and after the Redemption Date (unless the City defaults in the payment of the Redemption Price) such Bonds or portion of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with such notice, the Redemption Price of such Bonds shall be paid by the Paying Agent. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. Upon surrender for any partial redemption of any Bond, there shall be prepared for the Registered Owner a new Bond or Bonds of the same Stated Maturity in the amount of the unpaid principal as provided herein. All Bonds that have been surrendered for redemption shall be cancelled and destroyed by the Paying Agent as provided herein and shall not be reissued.

The Paying Agent is also directed to comply with any mandatory or voluntary standards then in effect for processing redemptions of municipal securities established by the Securities and Exchange Commission. Failure to comply with such standards shall not affect or invalidate the redemption of any Bond.

ARTICLE IV

SECURITY FOR AND PAYMENT OF BONDS

Section 401. Security for the Bonds. For the prompt payment of the Bonds and the 2012 Bonds, both principal or redemption price and interest, when and as the same shall become due, the City hereby

pledges all receipts now or hereafter received by the City from the Highway Allocation Fund, as provided by the Act. The pledge provided for in this **Section 401** shall not prevent the City from applying receipts from the Highway Allocation Fund in any year so long as sufficient receipts therefrom have been set aside for the payment of the principal or redemption price of and interest on the Bonds and the 2012 Bonds falling due in such year. To the extent that other legally available money of the City appropriated for such purposes is insufficient to pay the principal or redemption price of and interest on the Bonds and the 2012 Bonds when and as the same shall become due, the City hereby further agrees that it will cause to be levied and collected annually a tax on all the taxable property in the City within any applicable statutory and constitutional limitations sufficient in amount to pay the principal or redemption price of and interest on the Bonds and the 2012 Bonds until the same is fully paid. In addition, the City further reserves the right to issue additional highway allocation fund pledge bonds payable on a parity with the Bonds and the 2012 Bonds and equally and ratably secured by a pledge of receipts from the Highway Allocation Fund.

Section 402. Levy and Collection of Annual Tax. For the purpose of providing for the payment of the principal or Redemption Price of and interest on the Bonds and the 2012 Bonds as the same become due, to the extent receipts from the Highway Allocation Fund are insufficient, there is hereby levied upon all of the taxable property in the City a direct annual tax on all the taxable property in the City within any applicable statutory and constitutional limitations sufficient to pay all of the principal of and interest on the Bonds and the 2012 Bonds as the same becomes due and payable in each year.

The taxes referred to above shall be extended upon the tax rolls in each of the several years, respectively, and shall be levied and collected at the same time and in the same manner as the other ad valorem taxes of the City are levied and collected. The proceeds derived from such taxes shall be deposited in the Debt Service Fund, shall be kept separate and apart from all other funds of the City and shall be used solely for the payment of the principal or Redemption Price of and interest on the Bonds and the 2012 Bonds as and when the same become due and the fees and expenses of the Paying Agent.

If at any time such taxes are not collected in time to pay the principal of or interest on the Bonds and the 2012 Bonds when due, the Treasurer is hereby authorized and directed to pay such principal or interest out of the general funds of the City and to reimburse the general funds for money so expended when such taxes are collected.

ARTICLE V

ESTABLISHMENT OF FUNDS; DEPOSIT AND APPLICATION OF MONEY

Section 501. Establishment of Funds. There have been or shall be established in the treasury of the City and shall be held and administered by the Treasurer of the City the following separate funds:

- (a) Construction Fund; and
- (b) Debt Service Fund.

Section 502. Deposit of Bond Proceeds. The net proceeds received from the sale of the Bonds shall be deposited simultaneously with the delivery of the Bonds as follows:

- (a) All accrued interest received from the sale of the Bonds shall be deposited in the Debt Service Fund and applied in accordance with **Section 504** hereof.
- (b) The remaining balance of the proceeds derived from the sale of the Bonds shall be deposited in the Construction Fund and shall be applied in accordance with **Section 503** hereof.

Section 503. Application of Money in the Construction Fund. Money in the Construction Fund shall be used by the City solely for the purpose of (a) paying the costs of the Project in accordance with the plans and specifications therefor prepared by the City's engineers approved by the Council and on file in the office of the Clerk, including any alterations in or amendments to such plans and specifications deemed advisable by the City's engineers and approved by the Council, and (b) paying the costs and expenses of issuing the Bonds.

The Treasurer shall make a withdrawal from the Construction Fund only upon a duly authorized and executed order of the Council accompanied by a certificate executed by the City's engineers stating that such payment is being made for a purpose within the scope of this Ordinance and that the amount of such payment represents only the contract price of the property, equipment, labor, materials or service being paid for or, if such payment is not being made pursuant to an express contract, that such payment is not in excess of the reasonable value thereof. Nothing hereinbefore contained shall prevent the payment

out of the Construction Fund of all costs and expenses incident to the issuance of the Bonds without a certificate from the City's engineers.

Upon completion of the Project, any surplus remaining in the Construction Fund shall be transferred to and deposited in the Debt Service Fund.

Section 504. Application of Money in the Debt Service Fund. All amounts paid and credited to the Debt Service Fund shall be expended and used by the City for the sole purpose of paying the principal or Redemption Price of and interest on the Bonds as and when the same become due and the usual and customary fees and expenses of the Paying Agent. The Treasurer is authorized and directed to withdraw from the Debt Service Fund sums sufficient to pay both principal or Redemption Price of and interest on the Bonds and the fees and expenses of the Paying Agent as and when the same become due, and to forward such sums to the Paying Agent in a manner which ensures that the Paying Agent will receive immediately available funds in such amounts on or before the Business Day immediately preceding the dates when such principal, interest and fees of the Paying Agent will become due. If, through the lapse of time or otherwise, the Registered Owner of any Bond is no longer entitled to enforce payment of such Bond or the interest thereon, the Paying Agent shall return such funds to the City. All money deposited with the Paying Agent shall be deemed to be deposited in accordance with and subject to all of the provisions contained in this Ordinance and shall be held in trust by the Paying Agent for the benefit of the Registered Owners of the Bonds entitled to payment from such money.

Any money or investments remaining in the Debt Service Fund after the retirement of the indebtedness for which the Bonds were issued and all other indebtedness of the City shall be transferred and paid into the Road Fund of the City.

Section 505. Deposits and Investment of Money. Money in each of the funds created by and referred to in this Ordinance shall be deposited in a bank or banks or other legally permitted financial institutions that are members of the Federal Deposit Insurance Corporation. All such deposits shall be continuously and adequately secured by the financial institutions holding such deposits as provided by the laws of the State. All money held in the funds created by this Ordinance shall be kept separate and apart from all other funds of the City so that there shall be no commingling of such funds with any other funds of the City.

Money held in any fund referred to in this Ordinance may be invested by the Treasurer at the direction of the Council, in accordance with this Ordinance and the Tax Certificate, in Permitted Investments; provided, however, that no such investment shall be made for a period extending longer than the date when the money invested may be needed for the purpose for which such fund was created. All earnings on any investments held in any fund shall accrue to and become a part of such fund.

Section 506. Payments Due on Saturdays, Sundays and Holidays. If any payment on any Bond is due on a date which is not a Business Day, then such payment need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on such payment date, and no interest shall accrue for the period after such payment date.

Section 507. Nonpresentment of the Bonds. If any Bond is not presented for payment when the principal thereof becomes due at Maturity, if funds sufficient to pay such Bond have been made available to the Paying Agent all liability of the City to the Registered Owner thereof for the payment of such Bond shall forthwith cease, determine and be completely discharged, and thereupon it shall be the duty of the Paying Agent to hold such funds, without liability for interest thereon, for the benefit of the Registered Owner of such Bond, who shall thereafter be restricted exclusively to such funds for any claim of whatever nature on his part under this Ordinance or on, or with respect to, such Bond. If any Bond is not presented for payment within four years following the date when such Bond becomes due at Maturity, the Paying Agent shall repay to the City the funds theretofore held by it for payment of such Bond, and such Bond shall, subject to the defense of any applicable statute of limitation, thereafter be an unsecured obligation of the City, and the Registered Owner thereof shall be entitled to look only to the City for payment, and then only to the extent of the amount so repaid to it by the Paying Agent, and the City shall not be liable for any interest thereon and shall not be regarded as a trustee of such money.

ARTICLE VI

REMEDIES

Section 601. Remedies. The provisions of this Ordinance, including the covenants and agreements herein contained, shall constitute a contract between the City and the Registered Owners of the Bonds, and the Registered Owner or Owners of not less than 10% in principal amount of the Bonds at the time Outstanding shall have the right for the equal benefit and protection of all Registered Owners of Bonds similarly situated:

(a) by mandamus or other suit, action or proceedings at law or in equity to enforce the rights of such Registered Owner or Owners against the City and its officers, agents and employees, and to require and compel duties and obligations required by the provisions of this Ordinance or by the constitution and laws of the State of Nebraska;

(b) by suit, action or other proceedings in equity or at law to require the City, its officers, agents and employees to account as if they were the trustees of an express trust; and

(c) by suit, action or other proceedings in equity or at law to enjoin any acts or things which may be unlawful or in violation of the rights of the Registered Owners of the Bonds.

Section 602. Limitation on Rights of Owners. The covenants and agreements of the City contained herein and in the Bonds shall be for the equal benefit, protection and security of the legal owners of any or all of the Bonds. All of the Bonds shall be of equal rank and without preference or priority of one Bond over any other Bond in the application of the funds herein pledged to the payment of the principal of and the interest on the Bonds, or otherwise, except as to rate of interest, or date of Maturity or right of prior redemption as provided in this Ordinance. No one or more Owners secured hereby shall have any right in any manner whatever by his or their action to affect, disturb or prejudice the security granted and provided for herein, or to enforce any right hereunder, except in the manner herein provided, and all proceedings at law or in equity shall be instituted, had and maintained for the equal benefit of all Registered Owners of such Outstanding Bonds.

Section 603. Remedies Cumulative. No remedy conferred herein upon the Owners is intended to be exclusive of any other remedy, but each such remedy shall be cumulative and in addition to every other remedy and may be exercised without exhausting and without regard to any other remedy conferred herein. No waiver of any default or breach of duty or contract by the Registered Owner of any Bond shall extend to or affect any subsequent default or breach of duty or contract or shall impair any rights or remedies consequent thereon. No delay or omission of any Registered Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or acquiescence therein. Every substantive right and every remedy conferred upon the Registered Owners of the Bonds by this Ordinance may be enforced and exercised from time to time and as often as may be deemed expedient. If any suit, action or proceedings taken by any Registered Owner on account of any default or to enforce any right or exercise any remedy has been discontinued or abandoned for any reason, or has been determined adversely to such Registered Owner, then, and in every such case, the City and the Registered Owners of the Bonds shall be restored to their former positions and rights hereunder, respectively, and all rights, remedies, powers and duties of the Owners shall continue as if no such suit, action or other proceedings had been brought or taken.

ARTICLE VII

DEFEASANCE

Section 701. Defeasance. When any or all of the Bonds or scheduled interest payments thereon have been paid and discharged, then the requirements contained in this Ordinance and the pledge of the City's faith and credit hereunder and all other rights granted hereby shall terminate with respect to the Bonds or scheduled interest payments thereon so paid and discharged. Bonds or scheduled interest payments thereon shall be deemed to have been paid and discharged within the meaning of this Ordinance if there has been deposited with the Paying Agent, or other commercial bank or trust company located in the State of Nebraska and having full trust powers, at or prior to the Stated Maturity or Redemption Date of such Bonds or the interest payments thereon, in trust for and irrevocably appropriated thereto, money and/or Defeasance Obligations which, together with the interest to be earned on any such Defeasance Obligations, will be sufficient for the payment of the principal of such Bonds and/or interest accrued to the Stated Maturity or Redemption Date, or if default in such payment has occurred on such date, then to the date of the tender of such payments; provided, however, that if any such Bonds are to be redeemed prior to their Stated Maturity, (1) the City has elected to redeem such Bonds, and (2) either notice of such redemption has been given, or the City has given irrevocable instructions, or shall have provided for an escrow agent to give irrevocable instructions, to the Paying Agent to give such notice of redemption in compliance with **Section 302(a)** of this Ordinance. Any money and Defeasance Obligations that at any time shall be deposited with the Paying Agent or other commercial bank or trust company by or on behalf of the City, for the purpose of paying and discharging any of the Bonds, shall be and are hereby assigned, transferred and set over to the Paying Agent or other bank or trust company in trust for the respective Registered Owners of the Bonds, and such moneys shall be and are hereby irrevocably appropriated to the payment and discharge thereof. All money and Defeasance Obligations deposited with the Paying Agent or other bank or trust company shall be deemed to be deposited in accordance with and subject to all of the provisions of this Ordinance.

ARTICLE VIII

MISCELLANEOUS PROVISIONS

Section 801. Tax Covenants.

(a) The City covenants and agrees that (1) it will comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from federal gross income of the interest on the Bonds, and (2) it will not use or permit the use of any proceeds of Bonds or any other funds of the City, nor take or permit any other action, or fail to take any action, which would adversely affect the exclusion from federal gross income of the interest on the Bonds. The City will also adopt such other ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with other applicable future law, in order to ensure that the interest on the Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by the City.

(b) The City covenants and agrees that (1) it will use the proceeds of the Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Bonds are issued, and (2) it will not invest or directly or indirectly use or permit the use of any proceeds of the Bonds or any other funds of the City in any manner, or take or omit to take any action, that would cause the Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code.

(c) The City covenants and agrees that it will pay or provide for the payment from time to time of all arbitrage rebate to the United States pursuant to Section 148(f) of the Code and the Tax Certificate. This covenant shall survive payment in full or defeasance of the Bonds. The Tax Certificate may be amended or replaced if, in the opinion of Bond Counsel, such amendment or replacement will not adversely affect the exclusion from federal gross income of the interest on the Bonds.

(d) The City covenants and agrees that it will not use any portion of the proceeds of the Bonds, including any investment income earned on such proceeds, directly or indirectly, (1) in a manner that would cause the Bonds to be a “private activity bond” within the meaning of Section 141(a) of the Code, or (2) to make or finance a loan to any Person.

(e) The City hereby designates the Bonds as “qualified tax-exempt obligations” as defined in Section 265(b)(3) of the Code. In addition, the City hereby represents that:

(1) the aggregate face amount of all tax-exempt obligations (other than private activity bonds which are not “qualified 501(c)(3) bonds”) which will be issued by the City (and all subordinate entities thereof) during the calendar year in which the Bonds are issued is not reasonably expected to exceed \$10,000,000; and

(2) the City (including all subordinate entities thereof) will not issue an aggregate principal amount of obligations designated by the City to be “qualified tax-exempt obligations” during the calendar year in which the Bonds are issued, including the Bonds, in excess of \$10,000,000, without first obtaining an opinion of Bond Counsel that the designation of the Bonds as “qualified tax-exempt obligations” will not be adversely affected.

The authorized Officer is hereby authorized to take such other action as may be necessary to make effective the designation in this **Section 801(f)**.

(f) The foregoing covenants shall remain in full force and effect notwithstanding the defeasance of the Bonds pursuant to **Article VII** of this Ordinance or any other provision of this Ordinance, until the final Maturity of the Bonds.

Section 802. Continuing Disclosure. The City hereby (a) authorizes and directs that an Authorized Officer execute and deliver, on the date of issue of the Bonds, the Continuing Disclosure Undertaking in such form as shall be satisfactory to the City, and (b) covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Undertaking. Notwithstanding any other provision of this Ordinance, failure of the City to comply with the Continuing Disclosure Undertaking shall not be considered an event of default hereunder; however, any Participating Underwriter (as such term is defined in the Continuing Disclosure Undertaking) or any Beneficial Owner or any Registered Owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the City to comply with its obligations under this **Section 802**.

Section 803. Amendments. The rights and duties of the City and the Registered Owners, and the terms and provisions of the Bonds or of this Ordinance, may be amended or modified at any time in any respect

by an ordinance of the City with the written consent of the Registered Owners of not less than a majority in aggregate principal amount of the Bonds then Outstanding, such consent to be evidenced by an instrument or instruments executed by such Registered Owners and duly acknowledged or proved in the manner of a deed to be recorded, and such instrument or instruments shall be filed with the Clerk, but no such modification or alteration shall:

- (a) extend the maturity of any payment of principal or interest due upon any Bond;
- (b) effect a reduction in the amount which the City is required to pay as principal of or interest on any Bond;
- (c) permit preference or priority of any Bond over any other Bond; or
- (d) reduce the percentage in principal amount of Bonds required for the written consent to any modification or alteration of the provisions of this Ordinance.

Any provision of the Bonds or of this Ordinance may, however, be amended or modified by ordinance duly adopted by the governing body of the City at any time in any legal respect with the written consent of the Registered Owners of all of the Bonds at the time Outstanding.

Without notice to or the consent of any Registered Owners, the City may amend or supplement this Ordinance for the purpose of curing any formal defect, omission, inconsistency or ambiguity therein or in connection with any other change therein which is not materially adverse to the interests of the Registered Owners.

Every amendment or modification of the provisions of the Bonds or of this Ordinance, to which the written consent of the Registered Owners is given, as above provided, shall be expressed in an ordinance adopted by the Mayor and Council amending or supplementing the provisions of this Ordinance and shall be deemed to be a part of this Ordinance. A certified copy of every such amendatory or supplemental ordinance, if any, and a certified copy of this Ordinance shall always be kept on file in the office of the Secretary, shall be made available for inspection by the Registered Owner of any Bond or a prospective purchaser or owner of any Bond authorized by this Ordinance, and upon payment of the reasonable cost of preparing the same, a certified copy of any such amendatory or supplemental ordinance of this Ordinance will be sent by the Clerk to any such Registered Owner or prospective purchaser.

Any and all modifications made in the manner hereinabove provided shall not become effective until there has been filed with the Clerk a copy of such amendatory or supplemental ordinance of the City, duly certified, as well as proof of any required consent to such modification by the Registered Owners of the Bonds then Outstanding. It shall not be necessary to note on any of the Outstanding Bonds any reference to such amendment or modification.

The City shall furnish to the Paying Agent a copy of any amendment to the Bonds or this Ordinance which affects the duties or obligations of the Paying Agent under this Ordinance.

Section 804. Notices, Consents and Other Instruments by Registered Owners. Any notice, consent, request, direction, approval or other instrument to be signed and executed by any Registered Owner may be in any number of concurrent writings of similar tenor and may be signed or executed by such Registered Owner in person or by an agent with written authorization. Proof of the execution of any such instrument or writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City and the Paying Agent with regard to any action taken, suffered or omitted under any such instrument, namely:

- (a) The fact and date of the execution by any person of any such instrument may be proved by a certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such instrument acknowledged before such officer the execution thereof, or by affidavit of any witness to such execution.
- (b) The fact of ownership of Bonds, the amount or amounts, numbers and other identification of Bonds, and the date of holding the same shall be proved by the Bond Register.

In determining whether the Registered Owners of the requisite aggregate principal amount of Bonds Outstanding have given any request, demand, authorization, direction, notice, consent or waiver under this Ordinance, Bonds owned by the City shall be disregarded and deemed not to be Outstanding under this Ordinance, except that, in determining whether the Registered Owners shall be protected in relying upon any such request, demand, authorization, direction, notice, consent or waiver, only Bonds which the Registered Owners know to be so owned shall be so disregarded. Notwithstanding the foregoing, Bonds so owned which have been pledged in good faith shall not be disregarded as provided if the pledgee

establishes to the satisfaction of the Registered Owners the pledgee's right so to act with respect to such Bonds and that the pledgee is not the City.

Section 805. Further Authority. The officers of the City, including the Mayor and Clerk, are hereby authorized and directed to execute all documents and take such actions as they may deem necessary or advisable in order to carry out and perform the purposes of this Ordinance and to make ministerial alterations, changes or additions in the foregoing agreements, statements, instruments and other documents herein approved, authorized and confirmed which they may approve, and the execution or taking of such action shall be conclusive evidence of such necessity or advisability.

Section 806. Severability. If any section or other part of this Ordinance, whether large or small, is for any reason held invalid, the invalidity thereof shall not affect the validity of the other provisions of this Ordinance.

Section 807. Governing Law. This Ordinance shall be governed exclusively by and construed in accordance with the applicable laws of the State.

Section 808. Effective Date. This Ordinance shall take effect and be in full force from and after its passage and publication in pamphlet form as provided by law.
