CITY ADMINISTRATORS REPORT – 8-18-15

- Working on the budget with Bonnie, John and all of the department heads. The budget has taken up most of our time. We have had 2 budget sessions with the Council divided into 2 groups. Another discussion will be held at the 8-18 Council Meeting
- Continue working on the Rail Campus Project
- Met with the Civic Center Board

The departments are working on the following projects to name a few:

- Digester emergency repairs are completed. Olsson Assoc. will do the inspection.
- Painting of clarifiers and trickling filters
- Applications being reviewed for new police officer
- Reviewing storm water issues on Star Street and St. Johns Daycare areas
- Electric is working on the service for the Union Bank
- Installing overhead service and transformer for Bottle Rocket Brewery
- The 14th Street Substation Project has started
- The Library Summer Programs are completed
- The swimming pool is closing on Sunday, August 16th
- Received quotes for water line for new business
- Installation of irrigation system at Plum Creek Soccer Fields completed
- Concrete removal and replacement – S. Evergreen and Willow St.
- Setting school crossing lights
- Many fall recreation programs are starting or registering including youth football, volleyball, and HS softball
- Safety committee met on August 13
- General maintenance of all facilities, doing utility locates
