### **CONSIDERATION OF REQUEST OF SEWARD MEMORIAL HEALTH CARE SYSTEMS FOR OFF-STREET PARKING ON EAST ROBERTS - John Hughes**

**Administrative Report: Seward Memorial Hospital purchased three properties on Roberts Street adjacent to their main property to the north. Two of the three houses have been removed from their locations, to facilitate expansion of the main hospital. The third residence of 157 Roberts St., (Dick Miers house) is still in place. The Hospital is requesting permission to construct off street parking beginning at the vacant driveway for 147 Roberts St., thence east to the property line of 157 Roberts St., approximately 100 feet in length. See attached map of the location.**

**Following review and discussion, a motion to approve designating off-street parking would be in order.**
