PUBLIC COMMENT: no comments

Discussion was held regarding: transfer of property required a compliance inspection of the existing system, system was failing to protect groundwater, therefore a new system will be installed, per MN Rules 7080 existing systems must be abandoned by a licensed contractor, existing tank was installed in the bluff, therefore a conditional use permit is required to dig in the bluff, depth of tank, erosion control methods in place until vegetation is established.

Findings by majority roll call vote:

1. *The conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminishes and impairs property values within the immediate vicinity. **Agreed.***
2. *The establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area. **Agreed.***
3. *Adequate utilities, access roads, drainage and other facilities are being provided. **Agreed.***
4. *Adequate measures will be taken to provide sufficient off-street parking and loading space to serve the proposed use. **Agreed.***
5. *Adequate measures will be taken to prevent and control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result. **Agreed.***
6. *Is the Conditional Use Permit consistent with and supported by the statement of purposes, policies, goals and objectives in the Ordinance? **Agreed.***
7. *Is the Conditional Use Permit consistent with the Comprehensive Land Use Plan? **Agreed.***

WHEREAS, On September 27, 2016, at their regularly scheduled meeting, the Le Sueur County Board of Commissioners approved/denied the Conditional Use Permit application as requested by **ROBERT AND JANET MC CULLOUGH, MADISON LAKE MN (APPLICANT/OWNER).**

NOW, THEREFORE, IT IS HEREBY RESOLVED, the following Findings of Fact were adopted at the September 27, 2016, Le Sueur County Board meeting in order to protect the public health, safety and general welfare of the citizens of Le Sueur County.

- 1. With the imposition of appropriate conditions as stated, the conditional use will not be injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminishes and impairs property values within the immediate vicinity.*
- 2. With the imposition of appropriate conditions as stated, the establishment of the conditional use will not impede the normal and orderly development and improvement of surrounding vacant property for uses predominant in the area.*
- 3. With the imposition of appropriate conditions as stated, adequate utilities, access roads, drainage and other facilities are being provided.*

4. *With the imposition of appropriate conditions as stated, adequate measures will be taken to provide sufficient off-street parking and loading space to serve the proposed use.*
5. *With the imposition of appropriate conditions as stated, adequate measures have been taken to prevent and control offensive odor, fumes, dust, noise and vibration, so that none of these will constitute a nuisance, and to control lighted signs and other lights in such a manner that no disturbance to neighboring properties will result.*
6. *With the imposition of appropriate conditions as stated, the Conditional Use Permit is consistent with and supported by the statement of purposes, policies, goals and objectives in the Ordinance.*
7. *With the imposition of appropriate conditions as stated, the Conditional Use Permit is consistent with the Comprehensive Land Use Plan.*

BE IT FURTHER RESOLVED, by the Le Sueur County Board of Commissioners that based on the above Findings of Fact, a Conditional Use Permit to allow grading, excavating and filling of approximately 112 cubic yards of material within the bluff, bluff impact and shore impact zone for placement of steps and additional landscaping of the site in a Recreational Residential “RR” District on a Recreational Development Lake, Lake Washington.
