COUNTY OF LE SUEUR – COUNTY CODE
CHAPTER _____ – PUBLIC SAFETY

Designated Predatory Offender Residency Restrictions

Section 1: Designated Predatory Offender Residency Restrictions

(a) Jurisdiction. The jurisdiction of this Ordinance shall apply to all the area of Le Sueur County outside the incorporated limits of cities.

(b) Interpretation. In interpreting and applying the provisions of this Ordinance, they shall be held to the minimum requirements for the promotion of the public health, safety, comfort, convenience and general welfare. Where the provisions of this Ordinance impose greater restrictions than those of any statute, other ordinance or regulation, the provisions of this Ordinance shall be controlling. Where the provisions of any statute, other ordinance or regulation impose greater restrictions than this Ordinance, the provisions of such statute, other ordinance or regulation shall be controlling. Added from County Zoning Ordinance.

(c) Purpose. The Le Sueur County Board of Commissioners intends to serve the county's compelling interest to promote, protect and improve the health, safety, and welfare of Le Sueur County residents under this Section. It is the express intent of the Board to further that interest by: creating areas around locations where children regularly congregate in concentrated numbers within which certain predatory offenders are prohibited from establishing temporary or permanent residence; and, by mitigating the concentration of certain predatory offenders, as required by Minnesota Statute § 244.052, Subd. 4a, by prohibiting certain predatory offenders from establishing temporary or permanent residence within close proximity to one another.

(d) Findings. The Board finds that repeat predatory offenders present a real threat to the public safety and especially to that of children. Certain predatory offenders are likely to use physical violence and present a high risk to repeat their offenses, and most such predatory offenders have committed many more offenses and have many more victims than are ever reported and prosecuted. This makes dealing with the danger posed to the public safety and especially that of children by those certain predatory offenders extremely important.

Section 2: Definitions. For purposes of this section, the following definitions will apply unless the context or intent clearly requires a different meaning:

(a) Designated predatory offender. Any person who is required to register as a predatory offender under Minnesota Statute § 243.166, as may be amended from time to time, and who has been categorized as a Level III predatory offender under Minnesota Statute § 244.052, Subd. 3, a successor statute, or a similar statute from another state.

- (b) **Permanent residence.** A place where a person abides, lodges, or resides for 14 or more consecutive days.
- (c) **Temporary residence.** A place where a person abides, lodges, or resides for a period of 14 or more days in the aggregate during any calendar year and which is not the person's permanent address or a place where the person routinely abides, lodges, or resides for a period of four or more consecutive or non-consecutive days in any month and which is not the person's permanent residence.
- (d) **School.** A public or nonpublic preschool, elementary or secondary school.
- (e) **Licensed child care facility.** A child care facility currently licensed by the Le Sueur County, Minnesota, public health and human services department.

property line of the permanent residence or temporary residence to the nearest outer property line of the properties listed in Section 3.

Section 4: Exceptions. This section does not apply under the following circumstances:

If a property owner discovers or is informed that a tenant is a designated offender after a rental agreement is signed, a property owner shall commence eviction proceedings against the designated offender and take action to ensure that the designated offender is not residing in the exclusion zone.
- (b) A property owner's violation of this prohibition shall be punishable as set forth in Section 6.

Section 6: Penalty. Any person who violates this section shall be punished according to the laws of the State of Minnesota. A violation of this Section shall constitute a misdemeanor. Each day a person maintains a temporary or permanent residence in violation of this ordinance constitutes a separate violation.

Section 7: Severability. The provisions of this Section are severable and if any provision of this Section or application of any provision of this Section due to any circumstance is held invalid, the application of such provision to other circumstances and the remainder of this Section shall not be affected thereby.

This Ordinance shall be in full force and effect from and after its passage **and publication** according to law.
